EXPERIENCE

Executive Committe Member
Computer Society of India

📅 Sep 2021 - Present   📍 Ahmedabad, Gujarat

- I had contributed in creating a responsive website for College HackaThon.
- I had worked with fellow team mates to organise technical events.
- I had also organised coding competition namely Semicolon, CUBIX'22 for freshers.

Campus Ambassador
InternStudio

📅 Aug 2022 - Sep 2022   📍 Work From Home

- I have enhanced my Communication, Presentation and Convincing skills.

Internship & Training
Internshala

📅 Dec 2021 - Jan 2022   📍 Work From Home

- I have learned various web technologies and created a mini project.

PROJECTS

🔍 Personality Traits Classification | Python
Oct 2022 – Dec 2022

- I along with my team members had created a Machine Learning model using python that predicts the personality of a person. We had used flask tool to create the web page for the same.

🌐 Web Development Project | HTML, CSS, Javascript
Mar 2022 – May 2022

- I had created a web page on Electronic Product's Features and Ratings, on one of the concept of Operating System - FCFS and also implemented small projects like color flipper, alarm clock.

📄 File Manager | C
Oct 2021 – Nov 2021

- I along with my teammates had implemented the Windows file explorer using appropriate data structures.

🏛 Bank Management System | Java
Oct 2021 – Nov 2021

- In this project we had imitated some of the functionalities of a banking system infrastructure that it provides to the user.

📺 Riddle Guessing Game | C
Dec 2020 – Jan 2021

- This project was based on a game in which riddles will be asked according to the user's age. On giving the correct answer, he will be asked whether he wants to play further else exit.

EDUCATION

Computer Science & Engineering
Institute of Technology, Nirma University

📅 Nov 2020-Jun 2024 📍 Ahmedabad, Gujarat

CGPA : 8.13/10

Class 12th
M.D.S. Senior Secondary School

📅 Jun 2019-Jun 2020 📍 Banswara, Rajasthan

Percentage - 91.20%

Class 10th
A.V.S. Secondary School

📅 Jun 2018-Jun 2019 📍 Banswara, Rajasthan

Percentage - 91.67 %

ACHIEVEMENTS

✸ **Internshala**
Web Development Training and Internship

✸ **Pirple**
HTML5 & CSS3 Certified Course

STRENGTHS

C   Data Structure & Algorithms
Design & Analysis of Algorithms
Java   C++ (Basic)
Object Oriented Programming
HTML   CSS   Javascript   Bootstrap
ReactJS (Basic)   Figma
Python   Machine Learning
SQL   Database Management System
Operating System
Computer Networks

Hard-working   Time Management
Persuasive   Leadership   Agile
Inquisitive   Adaptable   Team Work
Effective Communication
